

UNITED NATIONS

Inequalities that affect childhood and adolescence framework

In addition to international instruments that recognize all people's human rights, such as the American Declaration of the Rights and Duties of Man and the Universal Declaration of Human Rights, both of which were issued in 1948, there exist other international instruments that establish globally agreed standards and guarantees for the rights of children and adolescents.

UN is still looking for full protection of these rights and their ultimate realization.

ECLAC

These international instruments and the available studies on childhood serve as a basis for identifying the most important issues pertaining to this stage of the life cycle including child development and care during early childhood, the use of technologies and child protection.

2030 Agenda

The 2030 Agenda underscores the importance of analysing the situation of children and adolescents in terms of issues such as:

This document contributes to the activities of the project “Leaving no one behind in Latin America and the Caribbean: strengthening institutions and social policy coherence and integration at the country level to foster equality and achieve the Sustainable Development Goals”, financed by the eleventh tranche of the United Nations Development Account, and its implementation was coordinated by Simone Cecchini, Senior Social Affairs Officer of the Social Development Division of the Economic Commission for Latin America and the Caribbean (ECLAC), Raúl Holz, Consultant of the same Division, and Humberto Soto de la Rosa, Social Affairs Officer of ECLAC's subregional headquarters in Mexico. More information on the project, including other relevant materials, can be found at: igualdad.cepal.org/en

Based on the text: S. Cecchini, R. Holz and H. Soto de la Rosa (coords.), A toolkit for promoting equality: the contribution of social policies in Latin America and the Caribbean (LC/TS.2021/55), Santiago, Economic Commission for Latin America and the Caribbean (ECLAC), 2021.

ECLAC staff members Humberto Soto, Elsa Gutiérrez and Mustafa Al Gamal, with the support of consultants Susan Skinner, Gabriela Ibarra and Ericka Arambarri, participated in the preparation of the document. The support of the Documents and Publications Division for their guidance is gratefully acknowledged. Icons from "The Noun Project" platform and photographs from the Adobe Stock platform were used in the preparation of the contents, with the proper authorizations. Photographs from the United Nations have also been used.
